

BREAKING NEWS: Devolutions Makes PROFIT 500 List!

**THE DEVOLUTIONS TEAM IS
THRILLED TO ANNOUNCE THAT
WE HAVE BEEN RANKED 74
ON THE PROFIT 500**

The Devolutions team is thrilled to announce that we have been ranked 74 on the PROFIT 500, which is the definitive ranking of Canada's fastest-growing businesses based on their respective revenue growth over the past five years. You can find the complete ranking for 2017 [here](#).

From the PROFIT 500 Program Manager

Stated PROFIT 500 program manager Deborah Aarts: "It is never easy to earn a spot on the PROFIT 500, but this year's applicant pool was the most competitive yet. This year's winners demonstrate the resilience, innovation and sheer management smarts it takes to build a thriving business today."

From Our CEO

Stated our CEO David Hervieux: “We are proud and honored to be ranked on the PROFIT 500. Our strong and continued growth is driven by the skills and talents of our incredible team, and by **the tremendous loyalty and support of our global user community.**”

Thank YOU for Making Us Possible

I'd like to join David in thanking all of you for making Devolutions what it is today: an exciting, innovative and growing company that is well respected in the IT community. We've come a long, long way since David launched Remote Desktop Manager in his basement more than a decade ago. But regardless of how much we grow or big we get, be assured that **we'll never lose sight of where we came from, or how we got here: it's because of YOU.**

Looking Ahead

While we're grateful and happy to be on the PROFIT 500 list, we aren't dialing things down. We have plenty of new and improved products on the way, and the wind down to 2017 is going to be, well, pretty crazy. But the good kind of crazy. Not the [clown from IT](#) kind of crazy. Stay tuned, because the best is yet to come!
