But Wait – There’s More!

In addition to these, we will likely be attending several more events (e.g. IT Connect, iTech, and others) as dates are announced. After taking a bit of a break over the last couple of years to focus on some internal projects, we’re heading back out on the trade show circuit and couldn’t be more excited!

We also invite you to suggest events for us to attend. Simply email our Event Coordinator Jenny at jknaf@devolutions.net or leave a comment below to let us know where you think we should go next.

Let Us Sponsor Your Event

Lastly, if your group, company or association is producing an IT or information management event, then we’d love to sponsor you. Please read [this article](#) for more information.
