WITH OUR NFR LICENSE/
SUBSCRIPTION!**

If you're wondering if we offer Not-for-Resale (NFR) license and subscription, then allow me to clarify that for you: the answer is yes! We offer single user NFR license for [Remote Desktop Manager Enterprise](#) and one year subscription for [Wayk Now Enterprise](#) to certified **Microsoft MVPs, Citrix CTPs, Nutanix NTC and VMWare vExperts**.

Send Us Your Feedback

There are no strings attached with our NFR license/subscription. You can use our products fully and freely. We only have two requests — and they are indeed requests, not requirements.

The first request is that you send us your feedback, which we will use to make improvements. Please tell us what you like, what you don't, and what you'd like to see changed, added, fixed, removed — and anything else.

The second request is that you share your honest and objective opinion with your network, and among your peers.
