

## Join the Devolutions Affiliates Program

---

**DPH IS OUR BRAND-NEW  
CLOUD-BASED PASSWORD  
MANAGER FOR BOTH TECHNICAL  
AND NON-TECHNICAL TEAMS**

---

Since the beginning here at Devolutions, most of our marketing and advertising has been driven by “word of mouth” referrals and recommendations from our satisfied customers around the globe. And to thank our community for their efforts and loyalty, we have created the Devolutions Affiliates Program.

## How It Works

Participating in the Devolutions Affiliates Program is free, and there is no selling involved. Here is how it works:

- Join the program through your Devolutions Account (see instructions below).
- Select a banner for your website and/or a unique affiliates link to share through email, social media, etc.
- Each time a new customer makes a purchase through your banner and/or link, you will automatically earn 10% of the total purchase price (before taxes). Payments are made via PayPal.

## Getting Started

Getting started is fast and easy. Here is what to do:

- [Log in](#) to your Devolutions Account, or [sign up](#) to create a new account.
- Go on <https://devolutions.net/>, click on your account at the top right, and click "My Portal"
- Under My Portal in the menu, click "My Affiliates Account".
- Click the "Join Now" button.
- Enter your contact information, along with a valid PayPal account email (so that we can send your affiliates rewards).

And that's all there is to it! You can instantly start sharing your unique affiliates link, and upload your banner to your website and blog. Anytime you wish, you can also view your earnings, number of clicks, and conversion rate in your [Affiliates Portal](#).

## Need Help?

If you have any questions about the Devolutions Affiliates Program, or need help setting up or managing your account, please contact us at: [sales@devolutions.net](mailto:sales@devolutions.net).
