**LEGENDARY ALLIANCE:
CONNECTWISE AND
REMOTE DESKTOP MANAGER!**

Some alliances are just meant to be, like the Targaryen's and dragons or Rick and Morty! Today, I am proud to announce one of those legendary alliance: ConnectWise and Remote Desktop Manager!

In 2015, ScreenConnect - a fast, reliable, and secure remote access and support solution - joined the powerful ConnectWise® software ecosystem and soon after was rebranded as ConnectWise Control™. Today, with 100+ integrations and extensions, ConnectWise Control equips technical teams of all sizes to exceed service delivery expectations without breaking a sweat. Discover more at www.ConnectWise.com.

Integrating your ConnectWise account into Remote Desktop Manager is fast and easy. Here's a quick tutorial video to show you the steps to follow:

I hope you enjoy this glorious alliance between RDM and ConnectWise Control. As always, please let us know your thoughts by using the comment feature of the blog. You can also visit our forums to get help and submit feature requests, you can find them [here](#).
